1-State Medalist (2X)
1-District Team Runner-up

My goal in coaching CC/Track was to establish a program that young men and women wanted to be a part of. As a result, I have been afforded the privilege of being associated with many talented, dedicated and disciplined athletes. I wish to thank them

And I must acknowledge the many coaches that willingly shared their expertise and friendship with me over the years. They truly helped me to be a better coach.

Last and certainly not least, I thank my wife Ruth for her unfailing support.

Since Retirement, I continue to be associated with Santa Fe ISD in many years. I've also been licensed into the gospel ministry and serve on staff at a local church in Santa Fe
