Member of Texas High School Coaches Association for 35 years

For the past three years, we have been living in Ingram, just west of Kerrville. I still enjoy association with young athletes and their coaches, so I help the track coaches at Ingram Tom Moore High School and at the Ingram Middle School during track season. Personal involvement in character development in athletes and coaches is as important to me as the development of athletic skills.

I have been very fortunate during my coaching career to work with some great coaches and some outstanding athletes at Robert E. Lee. I also consider myself lucky to have been associated with so many outstanding coaches throughout Texas whom I consider to be very good friends.
